Events:

- Toys for Tots Run 12/3/11
- Wreaths Across America 12/10/11
- Club Meeting 12/11/11
- Club Christmas Party 12/17/11

President's Corner

I would like to welcome the new prospects and members in Tn. and Ar. Chapters. I look forward to getting better acquainted and riding together in future rides. This Club is a family unit and by joining our ranks, you continue its growth. Of all the clubs out there, you chose this path of Brother and Sisterhood, which says a lot for the character of the members of this Club. I look forward to our continued growth and expansion of family throughout the States.

Munster, Prez and Founder LCFFLC

Meeting Highlights

The November meeting was held at the clubhouse on November 13th from 7pm to 9pm. Prior to the meeting, Ace had decided to leave the club, for personal reasons. We wish him well in his future endeavors. This left us with an open position on the board. After nominations and a vote, Tucson was voted as the club secretary. Munster then presented Tucson with the Secretary patch,

Dancer was presented the Club Liaison patch,

and Alamo was presented with his name patch.

Alamo then introduced his prospect, Eric, who is in the Emergency Response Field. Eric is anxious to start participating in club rides/events and obtaining his full patch. White Trash's prospect, was unable to attend, but we are looking forward to him attending future meetings and events with the club.

Dragonlady presented the Treasurer's report and discussed the use of the club dues for the website.

Dancer has been making updates to the website and Club FB page, so feel free to check them both out.

Alamo recently became a member of the Pink Heals board, so we're looking forward to supporting

events throughout the year.

Lenny from Jackson approached Munster for assistance with the Toys for Tots run, so ideas started flowing. Read on for the updates for this event.

Disco announced that we can now start reaching out for next year's Wounded Warrior Rally. Ideas for sponsors and entertainment were requested.

The April run is now underway in the planning stages. We will be reaching out to the area clubs to ensure that we do not plan over anyone else's yearly event. Once the date is solidified, it will be time to dig down deep to get all ideas on the table and move forward. Stay tuned for more updates.

Rides and events

Weasel participated in both events for Saturday, November 5th. He was a volunteer for a couple hours at the Wal-Mart on Covington Pike and Austin Peay for the FOP Toy Drive. This drive collects toys for sick children who visit Methodist LeBonheur Emergency Rooms. He then met up with the Motorcycles for Madelyn run.

Weasel & Chopper at Haystack

This ride started in Mississippi, stopped at Bumpus and Haystack to pick up more riders, and finished at Brighton High

School. Thanks to Yo, president of Dixie Divas, for inviting us to be a part of this charitable event.

Yo's Windshield

Unfortunately, Madelyn and her brother Mitchell were both too ill to attend this event.

Alamo @ Team Madelyn table

With the time of year for giving upon us, we will continue to participate in

as many events as possible.

Dancer with Team Madelyn shirt

Toys for Tots run on December 3rd. Los Cazadores will ride to Recycle Biker Shop and then on to the Navy Gym.

Wreath's Across America Ceremony is December 10th and Los Cazadores is planning on being in attendance.

Be looking for information regarding Pink Heals, our run in April, and Wounded Warrior Rally.

If you would like to participate in any event/ride with us, feel free to contact us for details.

a full-time MPD Officer, but he is also a K-9 Handler.

His commitment to family is not only seen in the club, but also with his own family.

Those of us that ride need no explanation as to why he loves to ride in the wind. Those that need an explanation wouldn't understand anyway.

"With the time of year for giving upon us, we will continue to participate in as many events as possible."

Meeting Mascot

"Those that need an explanation wouldn't understand anyway."

Member Profiles

Starting off our Member highlights is none other than our President, and a founding member, Munster.

Born in California and raised in Arizona and brought up on the dark side of the moon.

His riding experience began at 15 on a 77 Lowrider. He joined the USMC when he was 17 and served for 9 years.

Due to military cutbacks at the end of Desert Storm

he was released. In 1994 he joined Memphis Police Department. Briefly joined the National Guard in 2004/05 for OIF M1A1 Tank Crewman, but quickly ended that contract. Joined Navy Reserves in 2006 and deployed for OIF and OEF. More than likely will be heading back next November. Recently made Chief and participated in Chief's Initiation and had anchors pinned on. Not only is he

Service Bragging Rights

While this section is typically for area businesses to be highlighted, it was suggested by some that we highlight our club members who have served in the Armed Forces in honor of Veterans Day.

Munster – our President and a founding member has served in three branches of the military. USMC, National Guard, and also the USN.

White Trash – our V.P, served for 9 years in the USAF.

Tucson – our Secretary, has just left active duty from the Army and will continue to serve in a reserve status.

Dancer – our Club Liaison served on active duty for 5 years in the USN.

Chopper – is currently still serving on active duty with the USN. Set to deploy in January for OEF.

To all service members out there, we thank you for what you did, what you're doing, and what you will do. We truly appreciate you, your sacrifices, and the sacrifices of your family, that have allowed us to enjoy our freedom and rights.

Now get out there in the wind and enjoy them yourselves!

"To all service members out there, we thank you for what you did, what you're doing, and what you will do."

About Our Organization...

This motorcycle club was founded on October 31, 2008, by individuals that had searched high and low throughout the motorcycle world to find a club. Not to disrespect the many clubs currently out there, but none could offer what we were looking for. We are co-workers and friends, along with family. We are about family first, work responsibility second, club functions third. This club is open to all who are

looking for the same fun and free times offered by this great country. Many members, including the founding members, are combat veterans and have many years serving both their country and communities in a law enforcement capacity.

We do not, and will not, sit around and cry in our beers; nor do we tell war stories all night long. We are about riding to fun destinations and having a

great time at the end of the ride. We show respect to those who deserve it. Remember, respect is earned, not given freely.

If you are tired of looking at motorcycle clubs that place rules on top of rules on top of required miles and still shut out family; take a look at our club. Remember we were once just like you..... looking, but found our calling with Los Cazadores.
