- Ray Phetteplace Fundraiser 2/8
- Club Meeting 2/12
- Make-a-wish Poker Run 4/14/12

BLING ----->

President's Corner

I'm not really sure where to begin. I am so proud of this club and all that it's done and all that it plans to do. This club stands together as a family, and this family is growing. A warm welcome to our Associate Member Bling, and all our selectees. I enjoyed our spur of the moment club ride recently, and looking forward to many more.

I would like to thank Wheels of Grace for blessing the bikes and the Law Dogs and all others who participated in the New Year's Day Polar Bear Run, even though it wasn't that cold.

I have been humbled by the support that has been received for my upcoming Plunge. I hope to see as many as possible out there to cheer me on (and maybe huddle around to keep me warm). There may be a few additional folks plunging in with me, so, be sure to have your cameras ready.

Munster, Prez and Founder LCFFLC

Meeting Highlights

The January meeting was held at the clubhouse on January 8th from 5pm to 9pm. Treasurer's report was distributed to all club members.

This was quite an eventful meeting. It started off with all the Selectees stating why they wanted to be a part of this club. We had our new Associate Member Bling, receive her cut and Selectees were presented with their Selectee cuts.

Munster took a moment to define a selectee and welcome all to the family.

Additional details were worked out for the upcoming Make-A-Wish Poker Run which will be held on April 14th. Event has been set up on Facebook and published.

The Vietnam Travelling Memorial Wall will be coming to the Midsouth area in May, and all stated their intention to support. Dancer and Viper will be attending the initial meeting to obtain details.

Munster then announced his participation in the upcoming Polar Bear Plunge to benefit Special Olympics Tennessee. Members present donated cash to get things started.

Munster getting his bike blessed before Polar Bear Run at PSI 1/1/12

Rides and events

Here's what it's all about. The rides and events that create this family. 2011 ended on a sad note with several of us participating in the escort of A1C Steven Spencer back home to Jackson, TN. While the event was sad, you couldn't help but swell up with pride at all the support from the biker community.

2012 was started off with bike blessings at PSI – Motorcycle Transport & Detail Services,

Briefing prior to Polar Bear Run 1/1/12

a ride to the river, and then a casual cruise to Sam's Town.

Sam's Town 1/1/12

We also participated in the Zack Wester Memorial Ride.

Outside of Gemini for Zack Wester Memorial 1/22/12

With everyone being so busy to clean up after the holiday's, we didn't get to ride NEARLY as much as we would have liked, so decided that we needed some time with our

growing family. Itching to get out with the weather being so nice, we opted to have a club only ride. We brought along a few friends for this wonderful day trip to Pickwick. First we stopped at the Broken Spoke for some food and conversation.

Broken Spoke 1/29/12

Pickwick Dam 1/29/12

Looking forward to Munster's plunge on Saturday, 2/4/12. Come ride with us and perhaps see some surprise plungers! LOL

grandpa's house when he was between 5 and 10 - it didn't run. His first running dirt bike wasn't til he was 15. He got his first Harley after moving to Memphis in 2001. He is now on his 4th, which is a 2011 Streetglide. He loves to ride and there is no place he'd rather be than on his bike with the wind in his face and his girlfriend beside him on her 2011 Streetglide. He wanted to become a member of Los Cazadores because he found it to be a close knit family that would be there for one another in any situation and the club likes to help people, just like he does.

Munster to participate in Polar Bear Plunge 2/4/12

"He witnessed a horrifying accident when he was young that made him want to help people."

Member Profiles

This month we are highlighting our Sergeant-At-Arms – Viper. He witnessed a horrifying accident when he was young that made him want to help people. He began his career volunteering with the Tuscaloosa County Search & Rescue. He received his firefighter certification as well as Basic EMT. In 1997, he got a job working as an EMT/Driver for American Medical Response ambulance service. In 2000, he took a job with the Tuscaloosa County Sheriff's Department in the TCCF. Then shortly after Sept. 11th, 2001, he

pursued a career in the private security industry which brought him to the Memphis area. In 4 short years, he advanced from Supervisor to Director of Ops and learned the skills and knowledge that were essential in running a private security company. In 2005, he worked for the City of Moscow Police Dept as patrol sergeant and K-9 officer. He later transferred to Fayette County Sheriff's Dept where he was assigned to SWAT operations. In October 2010 he started his own Security Company and continues that dream today.

He pushed his first dirt bike down the hill behind

Service Bragging Rights

First and foremost, a HUGE thank you to Sekisui Bartlett for allowing us to take over their establishment for New Year's Eve. The food and service was outstanding! Surprisingly enough, the general manager, Kenny, thanked our crazy bunch.

"HUGE thank you to Sekisui Bartlett for allowing us to take over their establishment."

A shout goes out to Buffalo Wild Wings – Wolfchase, for donating a basket to be auctioned off at the upcoming fundraiser for Ray Phetteplace.

Membership

The club has sparked interest from a great distance. There is news on the wind of a previous travelling visitor starting his own chapter. Can't wait to see how it turns out.

Special Announcement

We withheld publishing this month's newsletter a day, until we could get the official word. Stay tuned for updated flyers and information to be published. The Los Cazadores LEMC 1st Annual Poker Run benefiting Make-A-Wish is now sponsored by the Memphis Police Association!

About Our Organization...

This motorcycle club was founded on October 31, 2008, by individuals that had searched high and low throughout the motorcycle world to find a club. Not to disrespect the many clubs currently out there, but none could offer what we were looking for. We are co-workers and friends, along with family. We are about family first, work responsibility second, club functions third. This club is open to all who are

looking for the same fun and free times offered by this great country. Many members, including the founding members, are combat veterans and have many years serving both their country and communities in a law enforcement capacity.

We do not, and will not, sit around and cry in our beers; nor do we tell war stories all night long. We are about riding to fun destinations and having a

great time at the end of the ride. We show respect to those who deserve it. Remember, respect is earned, not given freely.

If you are tired of looking at motorcycle clubs that place rules on top of rules on top of required miles and still shut out family; take a look at our club. Remember we were once just like you..... looking, but found our calling with Los Cazadores.
