Poker Run
4/14/12

President's Corner

Just want to take a moment to say how proud I am of our members Alamo, Dancer and Viper for getting themselves, and our club, mentioned in the local Southern Biker Magazine. Alamo was in the [December issue](#), and Dancer and Viper are in the upcoming [January issue](#).

Munster, Prez and Founder LCFFLC

Meeting Highlights

The December meeting was held at the clubhouse on December 11th from 7pm to 9pm. Treasurer's report was distributed to all club members.

Preliminary discussions regarding the April Poker run were brought up. The budget had been turned in and we were just awaiting final approval. Approval was expected to come any day.

This being the holiday season, the club Christmas party was also finalized. While at the meeting we discussed extending invitations to outside club friends, family, and potential prospects. The party was being hosted at Disco's and Amy's house.

Viper and Dancer presented the Club with an idea for New Year's Eve. Sekisui Bartlett was

pleased to host a party for us all.

The meeting time was discussed for all future meetings. In order to allow for plenty of time for a meeting and keep members from arriving home too late, it was decided that all future meetings would commence at 5pm vs 7pm.

Rides and events

The beginning of December was extremely busy for rides and events. On Friday, December 2nd, Yo and Dancer were invited to Bolton Middle School to attend Madelyn's Make-a-wish presentation.

*Yo and Dancer at
Madelyn's Make-a-wish
Presentation*

What a great honor to be present.

Saturday, December 3rd found us riding in unseasonably warm weather. Approximately 12 bikes arrived that morning at PSI and headed to Recycle Biker Shop to drop off toys for their Toys for Tots drive. It was estimated that 95 people participated in their drive. A big huge "thank you" goes out to Dave and Amy for offering a 20% discount off one item to those that donated.

*Toys for Tots ride briefing
and prayer*

As we all know, the biker community LOVES to give. 75 bikes rode out from Recycle Biker Shop that afternoon, with police escort, and headed to the north side of the Navy base to donate more toys to the Toys for Tots.

December 10th was a busy day for honoring our military. The morning started with the annual Wreaths Across America ceremony. We met at Munster's and rode in to the Memphis National Cemetery. It was hard not to get choked up, especially when the speaker mentioned that there are currently over 83,000 POW/MIA.

Wreaths Across America

That afternoon was another military presentation at Veterans Plaza in Overton Park. Pearl Harbor Day Memorial. This memorial presentation was also emotional, especially with

Christmas Party

"After his military service and years on the PD he had an opportunity to buy his very own Harley and once he did, there was no turning back."

Member Profiles

This month we are highlighting our VP – White Trash. White Trash was thrown into the world in April of 1969 in Williamson, WV where he grew up and graduated from Pineville High School in 1987.

In 1988 he joined the USAF and was stationed in Omaha, North Carolina, and even Germany. He is also a Gulf War Veteran.

He always wanted to serve as a police officer, so upon his honorable discharge from the Air Force, when Memphis PD contacted him, he gladly signed up. All but the one year of Plain Clothes West

military members present that had served during that time.

Representing at Pearl Harbor Memorial

Taskforce, has been as a Patrol Officer. Currently, he is a Trainer, a Crisis Intervention Officer, as well as a Memphis Police Association Delegate for The Union Station Precinct.

White Trash is one of the founding members of the club. Forming this club has been one of the proudest things he's ever done. Both of his daughters, Firefly and Lil Fang, are Junior Members of the club.

His inspiration for riding started when he was given a dirt bike as a young boy. He had ridden nearly every kind of bike until an accident at 17 stopped him

Always ready to offer support, Los Cazadores participated in the short notice "Welcome Home" escort for the 655th Transportation Company or "ROAD DAWGS" with the local PGR.

Escort brief on 385

After the monthly meeting, we received our official approval from Make-A-Wish to have our poker run on April 14th, 2012. Mark your calendars and get ready to ride for a great cause.

Additionally, the club has put together a ride for New Year's Day. See flyer attached at the end of this newsletter.

from riding. After his military service and years on the PD he had an opportunity to buy his very own Harley and once he did, there was no turning back. He was looking for a club to join and after talking to several and then talking to Munster, decided that they wanted their own thing that involved families and like minded people. He hates riding on the highways and prefers the backroad 2 lanes in the countryside.

Service Bragging Rights

Big C would like to give a shout out to Gemini down in Horn Lake, MS. He took his bike in for engine, header and exhaust work. He says that not only were they extremely fair on price, but they delivered on a timely basis.

Even though the service from Sekisui Bartlett is not motorcycle related, we would like to thank them for offering their establishment for the club to have their New Year's Eve celebration.

Membership

The club has sparked interest in many individuals lately.

After MUCH consideration, Hammer has joined our ranks. He was welcome with open arms by all. The club has also gained 5 more prospects for the founding chapter, increasing our local chapter to 11 members and 7 prospects. These prospects attended the club Christmas party and will also attend the Club New Year's Eve party and New Year's Day Polar Bear Ride.

Holidays

The holidays are a great excuse to spend time with your family, so we spent some time with our Los Cazadores family, too. Members, Family, Prospects, Potential Prospects, and club friends were all present to participate in the festivities. Christmas dinner and an entertaining game of "Dirty Santa" was enjoyed by all. This was also a time for us to enjoy the closeness of family and also to wish a family member off. Hammer's son was also present for the get together prior to being deployed to Afghanistan in January.

The New Year's Eve party will be a Triple header event. First, we'll celebrate the joys and successes of the past year and everything upcoming in the New Year. Next, Munster will present Hammer with his cut, while the AR president - Skipper will present REB with his cut. Last, we will be wishing our brother "Chopper" well as he will be deploying for OEF in Afghanistan in January.

About Our Organization..

This motorcycle club was founded on October 31, 2008, by individuals that had searched high and low throughout the motorcycle world to find a club. Not to disrespect the many clubs currently out there, but none could offer what we were looking for. We are co-workers and friends, along with family. We are about family first, work responsibility second, club functions third. This club is open to all who are

looking for the same fun and free times offered by this great country. Many members, including the founding members, are combat veterans and have many years serving both their country and communities in a law enforcement capacity.

We do not, and will not, sit around and cry in our beers; nor do we tell war stories all night long. We are about riding to fun destinations and having a

great time at the end of the ride. We show respect to those who deserve it. Remember, respect is earned, not given freely.

If you are tired of looking at motorcycle clubs that place rules on top of rules on top of required miles and still shut out family; take a look at our club. Remember we were once just like you..... looking, but found our calling with Los Cazadores.

"Big C would like to give a shout out to Gemini down in Horn Lake, MS."

Hammer announcing his decision!!!!
